Jan 2015 | Volume 28 Issue 72

## Presidents Letter:

Well, we are off to a great start this year with lots of activities planned. I would like to see all of you come to at least a few of them. If you don't want to drive, please consider coming to watch, eat, gossip, and laugh and learn. Most of the activities are young horse friendly and others drivers are here to help.

A committee meeting was held and after a long discussion, we have decided to postpone the ADT until May 2016 so we can do a better job of getting it together. We will have a cones competition on October 10 that is a little less complicated to put on. There will be several activities for VSEs (very small equines) so the drivers of these tiny bundles of fur can have more fun doing the activities planned. We also expect to have a bunch of maxi size horses attending these events too.

The Church Hill drive was attended by 3 carriage turnouts, Dot, Louie, and Kyra with a pair and a Phaeton, Kathryn Smith Anderson with a gray and a Surry, and Karen Sclater with her pinto and a surrey. The weather was just cool enough to make it feel like Christmas but not too cold to make us turn to icicles. The homeowners were grateful for our presence during their open houses and we enjoyed showing off our turnouts.

The Christmas party was a blast with a large variety of food that was so good that we couldn't decide which one was the best. The gifts were varied and lots of fun with a few "steals".

The next club meeting is on January 24<sup>th</sup> at 9:00 followed by the seminar at 10:30. We will be going over the ADS guidelines for all horses and VSEs. These were not put in place to be imposing but were written to keep everyone safe and having a good experience. We will also go over the calendar for the year and the budget. The address is: Hardy Central Baptist Church, 4655 Darbytown Road, Henrico, VA (This may come up as Richmond on the GPS).

See you all there,

From Breed Ring to ADS Competitions-a seminar for those interested in learning a new game! The JRDA is presenting a FREE seminar designed for drivers currently competing in fine harness and miniature horse driving events who are interested in learning about ADS events. This would also be informative for new drivers or those interested in competing but have questions about how, what, when and where. All are welcome to attend! It will be held on Saturday, January 24<sup>th</sup> at 10:30 am. The regular club meeting will begin at 9 A.M. The location is Hardy Central Baptist Church, 4655 Darbytown Rd., Henrico, 23231. ## We will drive and ride our horses from Murrieta near San Diego in California to Weirsdale in Florida

"Live your life with no regrets" - Caio Paagman

- We will drive and ride our horses from Murrieta near San Diego in California to Weirsdale in Florida
- We will leave November 1, 2014 and travel 20 – 25 miles a day [average] and arrive in Florida at the Grand Oaks Resort in Weirsdale on March 21, 2015
- Driving and riding horses – cross country through the south of United States – dealing with the challenges – meeting fascinating people and having some unusual conversations: be part of this great adventure and experience!

We will begin our 2,500 mile 'The Caravan' adventure in Murrieta, California. On November 1, 2014 at 1.00 PM we will start at the beautiful farm '[Friesian Focus](#)' and from there our journey will go to The Grand Oaks Resort in Weirsdale, Florida. Horses will be the primary mode of transportation. We will be driving carriages - pairs, teams, even a six in hand - but all equines ridden or driven are welcome. (Horses will be the main noun used but meant to include horses, ponies, mules and donkeys.) The planned route will take us through the many variances of the deep south of the United States: going through fields, over the road, through the desert, paved roads, gravel roads, no-roads, little towns and big cities! It is the biggest challenge and the biggest adventure! We will start on November 1, 2014. There will be a two week break at the end of December until January 9, 2015 and then we will arrive at the Grand Oaks Resort in Weirsdale, Florida on March 21, 2015.

Michael Muir, from California, and Gerard Paagman, from British Columbia, are the organizers and both men are extremely knowledgeable horsemen. They are very experienced in riding and carriage driving and long distance driving.

Of course we will be well prepared! However we also don't know what the 'unforeseen' will be. Will the weather help us or will we get snow when we are driving through Texas? Can we do an average distance of 25 miles a day or were we a bit too optimistic? We will use the best equipment but equipment failure is always possible, right?

The horses we will use for this journey are not only essential to our goal but they are also our companions, friends and partners. If necessary, we will adjust our schedule to make sure that at the start, the finish and every mile in between, our animals will be healthy and happy!

This Caravan will be about driving and riding our animals and it will be about dealing with the challenges and the unforeseen. There will also be the beautiful scenery of a cross section of southern states and the pleasure of traveling with the wind in your hair and the sun on your face at a slower than usual pace. However, it will also be sooooo much more! We will be a team and

we will travel and grow together. We will also have some 'deep conversations'; our goals in life, how to get there and how to deal with ourselves when we feel insecure and don't know which route in life to take. Every week there will be a specially invited guest that will be part of our team for a day or longer. And with each special guest we will do a unique interview and discuss topics of how to deal with ourselves, what to do when we have to go into new directions in life, etc. We will document our journey and use modern social media to keep the rest of the world informed and updated. We will all learn from each other. A lot! We will have joy and deal with the unexpected. We will do it and it will be the best! And you know what? You can be part of it! (We) Gerard and Michael would like to invite you to join The Caravan with or without your horse. You may join up for a few hours, or for a day, or for a week or for the whole journey! Going cross country 'on or behind' a horse, mule, pony or donkey with 'The Caravan' will be the biggest long distance drive we have ever done. It will be a great adventure and it will be a big challenge. Please come, participate and go home at the end of the journey with a million best memories and so much more!

Michael Muir and Gerard Paagman

### **Antique Back to Back Village Cart & Harness -**

Large horse or draft Back to Back Village cart made in New York approximately 75 years ago. We have partially restored it. It is natural wood with black vinyl seats and black paten on the shafts. It has brass appointments. We added large blocks to raise it up for our 17.2 H Percheron, but we have the original blocks that make it appropriate for a large horse. Wheels are sound with no wobble. It is a beautiful cart, just isn't getting used any longer. \$1000

Also I have an Amish made all leather black draft harness. It has 2 breast collars and 2 breeching straps. 1 set is plain with no added padding and the second set has soft leather padding. Buckle in traces with slotted ends. \$650

Will sell together for \$1800.00 OBO, make me an offer, these are just sitting and need a new home. Pictures on request. Contact Karol Fair at [karol.fair@wildblue.net](mailto:karol.fair@wildblue.net). or 540-785-9552
